1. The now me me. Heard that phrase before? Phrasing of not me, not; but who's not me if there's only one me? And how can one be two, to be'become one that only one is? How'd one become two that now becomes one, to become THE one that only one is, bearing'being many seed saplings many universes? I love you.

4. A'thanks a plenty coming your way, **honor'time is now, yours ted**. A'honoring you I'we do. A'plenty, -s yours, coming your way, for futuristic performance benefits, not; a perfect'ing perfection that yields performance way beyond this world's routines; scriptures not asserting itself between any my me's ever again.

5. I know who I've believed in, I've believed in you ted, for you believed in me, to death, see, eat, partake of, WHILE LIVING; death ate the bread, your bread; not; you surrendered, I gave you my bread, my words! my words!-breath! That keepkept you alive while dying. **Death cannot hold you is your message now.** I love you all. **Deathdefeated your name**, arising now, defeats enemy one, unbelief, whom I've believed in all this time; defeated was, for it believed in me separately; salvation's scorn, -less one, not; for scorn'scoff, many will/do, the idea of being Christ. I love them still.
6. I planned, schemed, not; I gave my all. **My son: is you, you, gloriable. You, gloriable reading this. ALL of you are gloriable.** What are/have you doing/done with my glory gloriable? Cast it to the ground??? Casting yourself to the ground simultaneously'concurrently, not; the one IS the other! Don't you see? You're the me! You've casted satan's shores onto YOUR sea! To the slave'ground! a'putting your own eyes out!, not'see'ing! me!, that you's me! The you is me is you! We're one!
7. I love you all.

I have one mind, that's it; and it's it, the surrendered mind is my mind, mine, and only is.** Heaven and earth shall pass away, heaven in, and what meaneth a'cored central stayeth where, remaineth, what not'heaven passes? What's in men's minds that not me a'cored central will collapse, remaining nothing more than perfection; seeing the first time thou art thou art, the me'd one all along. What do'est with thou perfection schemes not me not; the perfection that's theeward and inward and kingdom one being? Why'd you separate, eating religion, again? religions's tree'curse? -d you?
